

Update on Atom String Trimmer Product

Dear Valued Dealer,

We wish to advise that the Atom string trimmer will no longer be progressing within our current product program and has been removed from our forward product pipeline.

This decision allows us to focus our resources and development efforts on other key products and priorities within the Atom range that we believe will deliver greater value to our dealer network.

Should our product strategy change in the future, we will keep you informed.

Thank you for your continued support.

Kind regards,

Best regards,
The Atom Team
